Cent 1

Thoughts are things. Living things.

Cent 2

Strong person is not always strong weapons  
but it is always strong mind.

Cent 3

Human mind is versatile; it works best when it is free.

## Cent 4

The company you keep and the information you gather in your mind now will shape your future.

## Cent 5

Your five sense organs are the tools that gathers information for your mind.

Cent 6

Change the kinds of information on your mind  
and watch your life change.

Cent 7

As brain is to your body so is your mind to  
your soul.

Cent 8

Use your mind to generate internal positive energy and radiate them.

Cent 9

Everyone is a hero in their imaginations but  
not the depressed and not the sadist.

## Cent 10

Don't fix yourself to be either introvert or extrovert, allow your mood to swing freely.

## Cent 11

The world is full of chaos; establish your inner peace and share it with your environment.

Cent 12

Intelligence is not wisdom.

## Cent 13

A wise man learns from others; the fool thinks  
that he is all sufficient.

Cent 14

Don't say stupid things and don't crack jokes  
if you are not funny.

## Cent 15

Wisdom is better than crude oil and good name is better than shekel. Great people leave their names behind for unborn generations.

## Cent 16

It takes wisdom to recognize a wise person  
but the foolish cannot discern a fool.

Cent 17

Humility is a skill; wisdom is the trainer.

## Cent 18

A fool insults the king while the foolish fights  
the government.

## Cent 19

Science and scientists are foolish to say there is no God. Special apologies to science.

Cent 20

Heal from hate; no matter how small it is, it  
will consume you like fire.

## Cent 21

The soul of a wicked man is doomed; his children shall inherit his curse.

## Cent 22

It is better to be foolish than to be proud.

## Cent 23

Do not covet the ways of the wicked people,  
they will soon perish.

## Cent 24

The proud person shall fall into deeper depth  
than a fool.

Cent 25

Think about the consequence and you may  
not do it.

Cent 26

Royalty is not the crown, it is an attitude.

Cent 27

We live in a world where casket sellers pray  
for more sales every day.

Cent 28

If you love to care for it, then you should care  
to love it.

Cent 29

When blindfolded by gifts, truth and justice  
can be compromised.

Cent 30

Without sun, moon and electricity; the world  
is a dark place.

## Cent 31

Find time to rest or steal time to rest; just  
make sure that you rest.

## Cent 32

Remember to eat well and do not forget  
those who are hungry without food.

## Cent 33

If you love freedom, reduce commitments,  
avoid obligations and cut over time  
incentives.

## Cent 34

Prayer with fasting is good but giving alms is better.

Cent 35

Two things rule the world – Money and  
Power.

## Cent 36

There are military power, political power, economic power, social power and other kinds of power. The strongest form of power is spiritual power.

## Cent 37

A leader without a vision is blind. His followers will soon scatter or go down with him.

## Cent 38

Someday, your words shall come back to you.

If it is cake, it shall sweet your belly. If it is  
arrow, it shall break your neck. Learn to select  
your words.

## Cent 39

If you want to give, give without show off and give voluntarily.

Cent 40

A good spouse is a discovered treasure.

## Cent 41

Beauty and brain are good reasons to marry  
but the heart and soul seem better reasons.

## Cent 42

Young single ladies wait for their dream men.  
Growing old single ladies go for the available  
men.

## Cent 43

In this life, if you find true love, keep and make the person one of your core values.

## Cent 44

Knowledge can be bought; not wisdom. Not understanding.

Cent 45

You may save your money with the thieves  
but make sure you do so publicly.

## Cent 46

Don't keep quiet for a wrong reason; keep talking till you become a voice.

## Cent 47

If you can read biblical verse again and again,  
you should read motivational quotes again  
and again until it sticks.

Cent 48

A rich man has many friends but a poor man  
is alone.

Cent 49

A dream without corresponding action is  
fantasy.

Cent 50

Procrastination is a slow poison to  
achievement and progress.

Cent 51

If sleeping is your hubby, congratulations  
poor man.

Cent 52

If you lack commercial ideas, don't waste  
time; go look for job.

## Cent 53

The rich know how to play with numbers;  
what product or service can you sell to one  
million people and profit ten dollars per sale?

## Cent 54

If you want rubies, sell a value; if you want shekel, sell a solution.

## Cent 55

Young ones have the wildest ambition  
[fantastic dreams by the way], but their  
ambition is narrowed as they grow old. Only a  
few keep their ambition great as they grow  
old.

## Cent 56

Destiny helper is not necessarily someone who will finance you; there are just too many kinds of help. Don't sit back at home looking for destiny helpers. Go out, network, meet people and connect with reality.

## Cent 57

If you are not determined to achieve your goals, you will abandon it for another person's dream.

Cent 58

Talk less, dream wild and take radical actions.

Cent 59

If your life does not have a purpose, someone  
will pay for your lifetime.

Cent 60

If you bury your dreams, you might be  
burying your future.

## Cent 61

Since codes become poem and hardware becomes an art; technology becomes prosperous and life becomes easier.

## Cent 62

To achieve your dreams, be flexible enough to switch routes. I mean strategies.

## Cent 63

When you are planning what to do, plan how to start it. Starting is the biggest milestone.

## Cent 64

Make your works excellent and brand them;  
someday you will work for kings and queens.

Cent 65

Money grows in dirt. Not the dunghill but the  
shit you take all the time.

Cent 66

Explore all your options if you are looking for something.

## Cent 67

This is 21st century; don't expect manna.  
Don't spend all your time praying; get up, go  
out and hustle hard.

## Cent 68

The poor man looks for his daily bread. The rich man saves for tomorrow. The great man invests in people's future.

Cent 69

Saving money is good and safe. Investing  
money is risky and great.

## Cent 70

Some entrepreneurs create the problem in order to sell the solution. I mean some people create the disease in order to sell the cure.

## Cent 71

Two categories of people – one says I can give people my time and not my money because money is difficult to make – the other says I can give people my money and not my time because time is irredeemable. Which category do you belong to?

## Cent 72

You can't make it in life if you are afraid of challenges because nothing good comes easy.  
Great things are more daring.

## Cent 73

Sometimes you have your plans set and you are just waiting for the opportunity; wait for it or create it.

## Cent 74

Be wary of friends, do not rely too much on them. They are easily roused to envy; keep them close and distant.

Cent 75

Find a way to make it work for you if you cannot fight the power against you.

Cent 76

Soft power is admirable; aggression has many enemies.

## Cent 77

In the struggle between good and evil, don't be trapped on the evil side else you forfeit your future.

## Cent 78

Public opinion is a sword, learn how to use it  
to pierce your enemy's reputation.

## Cent 79

Even if you have the opportunity, don't stab your enemy in the public because he may get massive support you never expected; somethings are better done in secret.

## Cent 80

If you have the power, don't destroy your enemy [competition] completely, else, you destroy your own growth and development. Make their purpose work for your greater purpose.

## Cent 81

Control the resources of your enemy, it keeps  
you in position of power.

## Cent 82

Don't fight your enemy in his familiar terrain,  
lure him out of his comfort zone then attack.

## Cent 83

Life is full of adversaries, learn how to fight  
and maintain inner peace.

Cent 84

As fire tries gold, so life adversities make us  
better.

## Cent 85

Life is full of struggle and warfare [spiritual warfare, economic warfare, social warfare, currency warfare, etc.]. It is your enemy that makes you a better warrior and not your friends.

Cent 86

Keep pressing towards your dreams even if no one is clapping for you. Celebration is waiting at the end of the road.

## Cent 87

Be sure that what you are pursuing is worth your lifetime because there is no second chance to live again in this life.

Cent 88

Tomorrow is a gift, all you have is today.

## Cent 89

In this life, you have more enemies when you become a champion. You need more strength to remain at the top than getting to the top.

Cent 90

Don't negotiate, act. Don't beg, negotiate.

Cent 91

The most powerful people are those who  
don't abuse power.

Cent 92

You carved an image or you bought it and you start praying to it or worshipping it. I think you should think about it...

## Cent 93

In the future, the mark of the beast [666] will become a reality as globalization and technology is becoming successful.

Cent 94

Well, you may not mind the gap BUT mind the  
God of Heaven.

## Cent 95

Spiritual light awakens the soul to purposeful living thereby giving abundant inner peace. Jesus Christ is the only connection to the true God of spiritual light.

Cent 96

You can be holy if you have the Holy Spirit of  
God of Heaven.

## Cent 97

After this earth, the Kingdom of God is going to come and it is going to be eternal. There will small and great people in the Kingdom of God. Do you want to be SMALL in ETERNITY?

How can someone be great in the eternal Kingdom of God? I think I have an idea. Your godly works on earth. Also, your **FAME** in the Kingdom of God i.e. how many people you bring into the Kingdom of God.

Cent 98

When God of Heaven wants to pay back, He  
pays back overwhelmingly as per what you  
deserve.

Cent 99

Where are the souls of the dead?

Cent 100

Death is a way to life, eternal life. Believe in eternal life, believe in God of Heaven.
